

## ***Metering Valve SA***

This high quality brand belongs to the product group “pressure blast systems”. Only the perfect configuration and match of all system components in a blast machine enable maximum blasting efficiency. Therefore Clemco offers an extensive and complete range of quality products.

### **Metering Valve SA**

The SA Metering Valve is a manual and very compact valve, which was designed for the fine dosing of blast media. The optional internal rubber lining gives an additional wear protection.

Area of application	Metering Valves for Blast Pots and Cabinets
Abrasive media	for every common media
Blasting pressure	0 < 10bar
Operating temperature	0 < 50bar
